

# IEEE International Microwave Biomedical Conference IEEE-IMBioC 2018

## IMBioC®

June 14-15, 2018

Pennsylvania Convention Center, Philadelphia, USA

[www.imbioc-ieee.org](http://www.imbioc-ieee.org)

**Submission Deadline: February 7, 2018**

### General Chair

J.-C. Chiao, Univ. of Texas – Arlington

### General Co-Chair

Arye Rosen, Rowan University

### Technical Program Co-Chairs

Steve Wright, Texas A&M University

John Volakis, Florida Int'l University

Changzhi Li, Texas Tech University

### Finance Chair

Xun Gong, Univ. of Central Florida

### Invited Papers Chairs

Natalia Nikolova, McMaster University

Jenshan Lin, Univ. of Florida

James Hwang, Lehigh University

### Exhibition & Sponsorship Chair

Perry Li, St. Jude Medical

### Local Arrangements Chairs

Robert Caverly, Villanova University

Mohammad Tofghi, Penn State Univ.

### Conference Secretary

Hong Hong, NJUST

### Registration Chair

James Booth, NIST

### Poster Chair

Hung Cao, Univ. of Washington

### Publicity Chairs

Pingshan Wang, Clemson University

### Publication Chair

Roberto Gómez-García, Univ. of Alcalá

### Paper Competition Chair

Stephen O'Driscoll, Verily/Google

### Student Volunteer Chairs

Syed Islam, Univ. of Tennessee

### Website Chairs

Xiaoguang Leo Liu, UC Davis

Guoan Wang, Univ. of South Carolina

### Liaison to EMBS

Aydin Farajidavar, NYIT

### Social Media

Asimina Kiourti, Ohio State University

### Advisory/Executive Committee

Ke Wu, Yang Hao, Dau-Chyrh Chang,

Dietmar Kissinger, Ginaluca Lazzi,

Arnaud Pothier, Jason Horng, Katia

Grenier, J.-C. Chiao, Robert Caverly,

Dominique Schreurs, Tom Brazil, Yong

Xin Guo, Thomas Ußmüller, Christoph

Baer, George Ponchak, Henrik

Mindedal

The **2018 International Microwave Bio-Conference (IMBioC 2018)** will be held on June 14-15, 2018 in the Pennsylvania Convention Center, Philadelphia, USA. It will be co-located with the 2018 International Microwave Symposium (IMS) as part of the 2018 Microwave Week. IMBioC is an international forum for the exchange of ideas and information on state-of-the-art research in microwave and RF theory and techniques that bridge the science and engineering gap as applied to biological systems. This conference is an ideal forum for sharing new ideas on emerging techniques and applications.

### Topics of interest include but not limited to:

- RF and microwave integrated circuits for biomedical applications;
- Antennas and sensors for wireless implants;
- Microwave imaging, magnetic resonance imaging (MRI)
- Radiometry, thermography, cellular and molecular level spectroscopy;
- The interaction of electromagnetic fields with biological materials;
- Pathological, physiological and biochemical studies with EM waves;
- Computational methods and models for bio-electromagnetics;
- Electromagnetic safety studies and regulatory compliance;
- Implantable and wearable diagnostic and therapeutic systems;
- Radar for remote or noninvasive monitoring and tracking;
- Wireless communication and wireless power transfer for BAN;
- Biomedical sensors, devices and instrumentation utilizing EM waves.

### Paper submission:

Authors are invited to submit 3-page manuscripts in PDF format. All papers must be written in English and clearly describe the concept and results. The template is available on the IMBioC website. Papers submitted will be peer reviewed. All presented papers at the conference will be included in IEEE Xplore, pending quality review.

### Best Student Paper contest:

Best Student Paper awards will be presented to the winners at the conference. The awards committee will judge the papers on originality, significance, technical soundness, and presentation. To qualify for the award, the author must be a full-time student who presents the paper as the first author.

### Important dates:

- Paper submission: February 7, 2018
- Paper notification: February 28, 2018
- Final manuscript due: March 7, 2018

### Special Issue in IEEE J-ERM:

Authors presenting at IMBioC 2018 are invited to submit an expanded version of their papers to a special issue in the IEEE Journal of Electromagnetics, RF and Microwaves in Medicine and Biology (J-ERM): <http://iee-jerm.org>.
