

# IMBioC 2020 VIRTUAL CONFERENCE SCHEDULE

Toulouse, France, local Time (CET time zone)  
Pre-recorded presentations accessible on Dec. 9, 2020

CEST time zone	Tuesday Dec 15, 2020				Wednesday Dec 16, 2020				Thursday Dec 17, 2020	
14h00-14h15	Live opening session : K. Grenier, D. Schreurs, MTT-S president				We1A-Q&A technical session Chair : J. Hwang Microscale biosensors 2 (5 papers)	We1B-Q&A special session chairs : Y.-X. Guo, J. Ho Antennas and wireless power for biomedical applications (Live invited paper + 3 papers)	We1C-Q&A technical session Chair : C. Li Biomedical radars 2 (4 papers)	We1D-Q&A special session chairs : M.-P. Rols, L. Mir Electroporation (Live invited paper + 2 papers)	Th1A-Q&A WS session Chairs : C. Dalmay, C. Palego WS - Evaluation of biological endpoints using innovative sensing and imaging approaches	
14h15-14h30										
14h30-14h45	Live keynote 1 : Pr Yuri Feldman				break				break	
14h45-15h00										
15h00-15h15										
15h15-15h30	break				break				break	
15h30-15h45	break				We2A-Q&A technical session Chair : C. Merla Macroscale biosensors (5 papers)	We2B-Q&A poster session Chair : S. Hemour Biomedical systems (4 papers)	We2C-Q&A technical session chairs : X. Wang, X. Ye Microwave imaging (Live invited paper + 4 papers)	We2D-Q&A special session chairs: D. Arnaud-Cormas, P. Leveque Microscale characterization techniques for high-frequency bioelectromagnetic investigations (4 papers)	Live closing session; Best student papers award	
15h45-16h00	Tu1A-Q&A technical session Chair : C. Damm Microscale biosensors 1 (Live invited paper + 3 papers)	Tu1B-Q&A technical session Chair : M. Popovic Biomedical devices for MRI systems (4 papers)	Tu1C-Q&A technical session Chair : D. Schreurs Biomedical radars 1 (3 papers)	Tu1D-Q&A technical session Chair : J. Kolosnjaj-tabi Electroporation and hyperthermia (4 papers)	break				Live keynote 2: Pr Nanshu Lu	
16h00-16h15										
16h15-16h30	break				break				break	
16h30-16h45	break				break				break	
16h45-17h00	Two minutes thesis competition				We3A-Q&A special session Chairs : P. Velez, M. Gil Barba RF/Microwave sensors for biomedical applications Special Session (4 papers)	We3B-Q&A technical session Chair : F. Rivet Biomedical systems (5 papers)	We3C-Q&A poster session Chairs : C. Quendo, B. Patelon Microwave sensing and imaging (6 papers)	We3D-Q&A technical session Chair : M. Liberti Bio effects (Live invited paper + 3 papers)		
17h00-17h15										
17h15-17h30										

Live plenary session	Technical session with live invited paper	Special sessions WS sessions	Technical sessions	Poster sessions
